We can cover where things stand on Florida. John has been working with them.

We can also discuss a May trip we are taking to the keys to visit a Mosquito Control a District, the Wolbachia EUP effort and maybe Oxitec. John can cover that as well.

Hi all – Do we have any agenda items for our mtg next week?

Mike – Did EPA hear more re: FL and section 18?

Laura, Eric – We are still working toward HHS briefing re: finalizing 236. Are there any other updates?

Also, I know Laura will be on travel.

Thanks!  
Ritu
